2. Добавляем пост по прошедшей неделе.

The natural historical, architectural and recreational complex Vorontsovo Estate, better known as Vorontsovsky Park, is recreation area and a green area in the South-West of Moscow.

A monument of landscape gardening art of the late 18th - early 19th centuries with an area of about 48.7 hectares, locat territory of the former property of the boyar Voronets (XVI century). In the regular part of the park, unique specimens growth trees have been preserved - oak, elm, linden, During the Soviet era, after the decision to recognize the object a architectural monument, the restoration of the park and adjacent buildings began. Restored in 2006-2007, finally opened public since July 14, 2007.

The name of the park, and earlier - the estate - was received from the first owners - the boyar Vorontsov family, which, received its surname by the name of its first known representative - the boyar of the Grand Duke of Moscow Dmitry Donsko Vasilyevich Voronets, who came from the Protasvevich family, later named Velvaminovs, Fyodor Voronets owned these lands second half of the 14th century.

on October 30, 2002, to put in order and operate the Vorontsovo estate, the State Unitary Enterprise Directorate for the restoration, restoration, maintenance and operation of the Vorontsovo Estate was created, now the State Autonomous Cultu Institution of the City of Moscow Vorontsovo Estate.

In 2005, a master plan for restoration was developed. (downlink since 13-09-2018 [1692 days]) The restoration of the est mostly completed in July 2007. Vorontsovsky Park has become one of the favorite places for recreation of Muscovites. A n historical buildings have been partially restored, ponds have been reconstructed.
