- Российский университет дружбы народов

Научиться добавлять к сайту ссылки на научные и библиометрические ресурсы.

1. Необходимо добавить к сайту ссылки на научные и библиометрические ресурсы.

   Зарегистрироваться на соответствующих ресурсах и разместить на них ссылки на сайте.

```yaml

Overview

How to write an essay report like a Pro?

Before you get started on your next school assignment, make sure to equip yourself with all the resources you'll need. Some of those resources might be a new piece of software or a new approach to the topic you're tackling. In this article, we'll discuss how to use WPS Office for your essay reports and how it can help you with plenty of other assignments!

I know how daunting writing essays can be. It's not just about getting your thoughts and opinions on a topic out into the world. It's about creating a piece of literary excellence that can make you stand out from the rest of the competition.

Introduction:

Like most students, you probably spend more time writing reports than doing any other type of academic work. And, with good reason: Reports are an important part of the academic process. They're a way to show your

46 ## Overview
47
48 Last week I visited one of the most beautiful parks in Moscow - Gorky Park. That is why it is necessary to tell
   a little about it. After all, a walk in this place was an important event of the past week.
49
50 The Central Park of Culture and Leisure named after Maxim Gorky (abbreviated as TsPKiO or Gorky Park,
   international name - English Gorky Park) is a Moscow park of culture and recreation, a metropolitan
   recreational area, one of the largest and most popular in the city.
51
52 The parterre part of the park appeared in 1923 after the organization of the All-Russian Agricultural
   Exhibition (VSHV) on the site of the Orlovsky Meadow dump, the layout of which from the entrance to the
   Neskuchny Garden was carried out by the avant-garde architect Konstantin Melnikov.
53
54 PKiO was opened on August 12, 1928, in 1932 the park was named after the writer Maxim Gorky. At different
   times, El Lissitzky and Alexander Vlasov were involved in the design of the park. The arch of the main entrance
   was erected in 1955 according to the project of the architect Georgy Shchuko.
55
56 In 2011, a comprehensive restoration of public space began, which is still ongoing. It includes Neskuchny
   Garden, Sparrow Hills and Muzeon.
